Process & Production

I have to produce a booklet of tweets, centred around a hashtag (#) of interest to me. The aim of this is to build on my editorial and typographic skills. As a result the design of my booklet should be typographically focussed; images may be used if they are appropriate. my booklet must contain 3x distinct spread designs and include a minimum of 45 tweets. (I will need to use the InDesign DataMerge feature).

@Tobyonthetele

Man people have so much time on their hands at the moment, so people, I hope nobody finds out im not really trans
